Dear Parents,

We are pleased to advise that we will be continuing our successful **Hot Lunch Program** for the 2017-2018 school year. This letter will answer many questions and provide specific details on how to register for the program. Please note that to ensure your child receives hot lunch on the first day of school your hot lunch order must be submitted **prior to Thursday, August 17, 2017**. Any order submitted after that day may result in a delay in the start of your child's participation in the hot lunch program.

**What is the hot lunch program?** A Federally Subsidized Hot Lunch Program that will bring quality, nutritious meals directly to your child's school. Qualification, which is based on household income, may entitle your child to a free or reduced-price hot lunch. Students who do not qualify for the government subsidy will still be able to purchase hot lunches at the full price.

**What grades will participate?** The program will be available for students in grades 1-12.

**What kind of food will be served?** We will be following federal guidelines enacted to ensure healthy eating habits. Please note that we will not be serving second helpings. All food will be *Cholov Yisroel* and are prepared fresh at the Yeshiva daily. In the coming weeks, you will find a September hot lunch menu on our website, <http://talmudicalacademy.org/parent-resources/food-menus/>.

**How often will hot lunch be served?** Hot lunches will be served four times a week, **Monday thru Thursday**, starting the first day of school and continuing until the last full day of school.

**Can I sign up once a week? Once a month? When my child likes the food?** To participate in the program, you must sign up for all lunch days. However, if you miss the sign-up period at the beginning of the year, feel free to contact Mrs. Dena Lerner at 410-484-6600 x327 or [dlerner@talmudicalacademy.org](mailto:dlerner@talmudicalacademy.org) for information on how to enroll.

**How do I know if I am eligible for free meals?** All children in households receiving benefits from Food Supplement Program or Temporary Cash Assistance Program, can get free meals regardless of your income. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Eligibility Guidelines (see below).

**Who can get reduced price meals?** Your children can get low cost meals if your household income is within the reduced price limits on the Federal Eligibility Income Chart, shown on this application.

**Will the information I give be checked?** Yes, and we may also ask you to send written proof.

**What if my income is not always the same?** List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

**Who should I include as members of my household?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and *all* children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.

**If I don't qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.
