

# MTA Bus Route For Talmudical Academy

## Route #92

Please note that while we do not anticipate the MTA will make changes to the bus route or bus stops, the possibility does exist, and **TA has no input in these decisions**. TA will inform parents of updates as we are made aware of them.

Students must stand by the MTA designated bus stops to board the bus. Students will be dropped off at these same MTA bus stops. All of the bus stops below are located near the following **intersections**.
