Dear Mesivta Parents and Talmidim,

Welcome to a new zman! I am excited and very much looking forward to personally greeting and meeting each of you, as together, *B'ezras Hashem*, we embark on a productive and wonderful school year.

During the summer, I had the privilege and honor to work very closely with Rabbi Steinberg, Rabbi Brown and other key personnel in planning a program of outstanding *hasmada* and academics in *Limudei Kodesh* and General Studies. We trust it will be both motivating and challenging.

Although we are living in a very challenging time with a pandemic and civil unrest, when formulating shiurim, classes, curriculum and structure we strove to have in mind first and foremost the social and emotional wellbeing of our beloved Talmidim. We based our class structure on the principle of inspiring and stimulating minds, enhancing knowledge and preparing our students before they graduate so they can be equipped to attend the Yeshivos and colleges of their choice. Therefore, the Mesivta administration strongly encourages every Talmid to take full advantage of the exceptional *shiurim*, night *sederim*, classes and extracurricular activities which, *B'ezras Hashem*, the Mesivta will be offering. This will ensure that every Talmid can soar to the highest levels of *Yiddishkeit* and reach their goals scholastically, as well as maximize their intellectual, social and emotional potential.

Once again, I look forward to meeting each of you and extend my warmest wishes to everyone for a successful year, *B'ezras Hashem*.
