Additional Information:

1. The Activity and Trip Fee includes all of the basic activities and trips that have traditionally been charged less than \$20. It does not include any “major” trips or shabbatons, which will be billed separately. Additionally, for activities that include other guest fees, only the student fees are included, and fees for other guests will be billed separately.
2. This fee schedule represents a \$95.00 discount on the General Studies Book and Technology Fee, due to the generous grant from the State of Maryland.
